

■ **Call for patron:**

Patronage and Exhibition Packages

If your organization is interested in becoming a patron of SmartCom2025,
please contact the SmartCom patron coordinator at
[sr_ac-sec@mail.ieice.org].

The 8th International Workshop on Smart Wireless Communications, SmartCom 2025, is set to be held from 4 to 6 June at Eindhoven University of Technology in the Netherlands. SmartCom is an international workshop dedicated to the field of smart wireless communications, addressing a variety of topics including radio technologies, spectrum management, wireless networks, communication theory, and flexible hardware, among others. Further details can be found on the official web site: <http://ieice-smartcom.info/>.

We offer patronage opportunities to increase your organization's visibility in a specialized community as follows:
